

RESOLUTION NO. 959

CITY OF LACEY

A RESOLUTION APPROVING THE LACEY TRANSPORTATION SYSTEMS ANALYSIS AND ALTERNATIVES EVALUATION (LTSAAE)

WHEREAS, the City has, with the assistance of qualified consultants and in conjunction with the Stakeholder Group participated in an evaluation of the subject of Interstate 5 interchanges within the Lacey vicinity, and

WHEREAS, the Stakeholder Group included the Washington State Department of Transportation, the Federal Highway Administration, Thurston County, City staff and representatives of the Thurston Regional Planning Council, and

WHEREAS, as the result of such study, there has been developed the Lacey Transportation Systems Analysis and Alternatives Evaluation (LTSAAE) report which provides a summary of the analysis of existing and possible future I-5 interchanges, and possible surface street operational improvements in an effort to provide for acceptable levels of service throughout the study area for the projected 2030 traffic demand, and

WHEREAS, such study, analysis and report will form the basis for the preparation of the Interchange Justification Reports (IJR) stage,

NOW, THEREFORE, BE IT RESOLVED THAT THE CITY COUNCIL OF THE CITY OF LACEY, WASHINGTON, that that certain report entitled Lacey Transportation Systems Analysis and Alternatives Evaluation (LTSAAE) is hereby approved by the City Council.

PASSED BY THE CITY COUNCIL OF THE CITY OF LACEY, WASHINGTON, this 25th day of March , 2010.

Resolution 959 was passed by the City Council and signed on March 25, 2010.
