

2020 SUMMER FUN TOUR

Due to the COVID-19 pandemic, our 2020 Summer Fun Tour will have the following modifications:

- **Camp will begin Monday, June 29** (subject to change), running 7 weeks through August 14.
- **Camp will operate Monday-Friday.**
- **Camp Hours remain the same: 7:30 a.m. – 5:30 p.m., but will have staggered arrival and departure times.** (We will send out information to registered families for requested arrival/departure times at a later date)
- **Daily temperature checks and a health questionnaire will be completed each morning, upon arrival.** A check-in station will be set up outside the school building as parents are not allowed inside the building. NOTE: Campers with high-risk health conditions (asthma, respiratory issues, compromised immune systems, etc.) should not attend camp.
- **Campers will be organized into groups of 10 children with 2 staff members.** This group will stay together in a separate classroom/area throughout the day.
- **Activities will be on-site only, no field trips or swimming.** Campers cannot share equipment of any kind, (such as basketballs, dodgeballs, other sports equipment, crafts, books etc.), so activities must be modified to meet this requirement while maintaining social distancing.
- **We are working with North Thurston Public Schools to provide a cold sack lunch through the Summer Lunch Program.** Of course, you can bring your own lunch. Please provide morning and afternoon snacks and bring filled water bottles. We cannot guarantee the availability of a water source so bring plenty of water.
- **Campers are encouraged to bring quiet-time activities, such as a book or other project,** because in the morning until 9 a.m. campers will be seated at a desk/table 6 ft. away from other campers. Each camper will have a crate next to their desk to keep personal items.
- **We will provide individual sanitized activity supplies** (markers, scissors, glue, etc.) for each child.
